The difference is clear to see

# Bi-Folding Doors

Bi-folding doors are an alternative to Sliding Patio and French Doors by maximising the opening space available. They can be used in a variety of locations such as extensions, conservatories or as internal room dividers. Modern and stylish, bi-folding doors are an innovative way to enlarge the feel of any room and to connect the inside with the outside.

## Features at a glance

**ELITE 63**
